# IQAC Meeting

DATE -30 December 2022

## Agenda of the meeting-

- Review of last meeting
- Planning for the further actions

## Minutes of the Meeting –

Today, a meeting was organized in the college under the chairmanship of Principal, in which IQAC in-charge and dignitaries participated. In this meeting, the implementation of the decisions of the previous meeting was reviewed and discussed. The agenda was focused on how to improvise the present teaching system to ensure better quality education.

After point-wise discussion with the members, the following decisions were taken.

1. The teaching system in the college has improved but more sustained efforts are needed.
2. Students need continuous monitoring and guidance for participation in cultural programs and weekly activities.
3. These activities are proving helpful in their overall development but more efforts should be made to upgrade their quality performance.
4. To encourage the students of the college to perform better the short clip of their Activities should be uploaded regularly on you-tube channel and social media account.
5. To make the YouTube channel of the college more productive and useful, various programs and activities should be uploaded on it,
6. This will provide a major platform to the students to showcase their talent and will encourage them to perform even better.
7. Teachers will make continuous efforts to improve the projector facility in the college and students also should to be guided in PPT presentation.

# IQAC Meeting

Date - 10/4/2021

## Agenda of the meeting-

- Review of the decisions of the last meeting
- Planning for the further actions

## Minutes of the Meeting –

Today, a meeting was organized in the college under the chairmanship of the Principal, in which the decisions taken in the previous meeting were reviewed and further action plan was discussed. It was discussed with all the members on how various areas of the college including teaching work, sports facility, library, computer lab, projector and other facilities can be made more productive for the students. After discussion with the members the following decisions were taken.

The newly established computer lab and project facility in the college will be put into use from the new session if conditions become normal.

All the teachers will guide the students to use the projector and computer lab and they will also try to get information about the latest technologies.

The record of internal examination evaluation of the students will be kept organized and on the basis of its analysis, guidance will be provided to the students for better performance.

Additional class arrangements will be made effective to help students in their teaching work. Students will be encouraged to increase their participation in cultural programs.

# IQAC

● MEETING RECORD

SESSION-2019-20

# IQAC Meeting

Date- 23 JANUARY 2020

## Agenda of the meeting

- Introductory meeting
- To discuss the objective of IQAC
- Planning for the further actions

## Minutes of the Meeting –

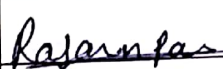

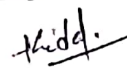

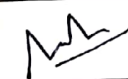

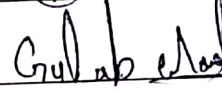

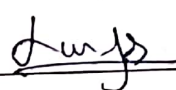

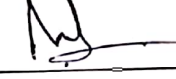

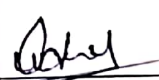

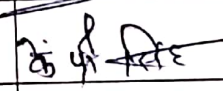

Today, under the chairmanship of the principal the first meeting of the newly formed IQAC was organized. IQAC in-charge and others members were attended the meeting. The Principal introduced the objective of formation of IQAC to the members and discussion was made about the challenges and strengths of the college. The focus of the discussion was how to explore the full potential of the college for the benefits of the students. A full review has been taken to assess the present condition of admission process, examination, scholarship, study prospects, library, sports activities etc.

The following decisions were made in the meetings.

1. To make maximum use of the resources available to the students in the college more planned efforts are needed.
2. Present feedback system need to be further improved by making partial amendments.
3. Former students will also be included in the current feedback system, so that their valuable suggestions will be received.
4. Students will be encouraged to actively participate in studies and other activities.
5. Computer lab and projector facility will be utilized from the new session. Time table would be submitted by Shri Shailesh Mishra Assistant professor (Political Science) after consultation with the other teachers.
