

Govt. Naveen College Sonhat Korea (C.G.)

Vision

&

Mission

## Vision

This college aims to prepare youth with global competitiveness and social responsibility.

We envision the positive and constructive role for our youth in creating educated, advanced and informed society.

We are committed to sensitize our youth towards requirement of society and Nation, along with developing a global perspective among them for the modern challenges.

## Mission

- ◆ To provide higher education to students from surrounding rural areas so that they contribute positively in the progress of society.
- ◆ To inculcate human values in young generation.
- ◆ To make efforts for gradual academic excellence
- ◆ To sensitize and aware the youths about challenges and prospects of society, polity and nature.
- ◆ To explore and maximize the various traits of personality development by using the available resources through cultural and sports activities.
- ◆ To assist our students in improvement of digital skills.
- ◆ To utilize the available resources in most economical way.
